Made excellent time thru Hays, where we got gas. 20 miles west motor began to miss. Went off I70 at Collier - had points set, went for 5 miles OK, missed again, got off at Quinter - tested plugs + wires, change oil + put in Stickey valve correction, went 30 miles, into Oakley for lunch. Conked out completely half block from garage. Pushed in, had new gas filter put on. Went 20 miles. Started again. Off at Goodland. Had gas line blown. Went on to Golden — 506 miles this day in spite of problems.
